MANY CASES BOOKED

For this Morning's Police Court—Holds  
Saturday Night.Saturday night the police force raided  
five policy shops which have been no-  
toriously in operation for months past.  
Besides the five proprietors eight  
writers were arrested. A poker-room  
was also raided and the proprietor and  
two players arrested. The houses of ill  
fame run by Lucy Belmont, Ida Blake  
and Dora Nelson were also raided, and  
seven women were pulled in. No men  
were found in the places. The public  
has expected the raid begun a week  
or so ago to be made general, and has  
therefore been wary. All of these  
twenty-three parties put up the cash to  
cover their fines.Two disorderly cases and two boys  
who had in their possession shoes which

also locked up Saturday night.Yesterday Officer Zimmerman ar-

drunk. Michael put in Judy Mack, for  
boggling on the street, and Keuple ar-  
rested William Snyder as a plain drunk.  
This makes thirty-two cases for this  
morning's court, quite a respectable  
docket.

## WINTER'S BACK BONE

Bent Slightly Yesterday, but not  
Broken Yet.

## THE TEMPERATURE MODERATES

And a Genial Sun Thaws Things out,  
but They Quickly Freeze up Again.  
Saturday was Nearly as Cold as any  
of the Preceding Days.

Saturday the weather was nearly as  
cold as on the last few days preceding,  
and it has been a long time since this  
section has experienced so long and  
severe a cold snap. It was all the more  
hard on people because the natural gas  
supply was short, and coal was almost  
impossible to get. About eight car-  
loads of coal ran off the track at Mound-  
ville Saturday morning, or there would  
have been a pretty fair supply in town.  
Many householders were kept busy Sat-  
urday hunting fuel.

The hourly register of the standard  
thermometer at Schnepf's drug store  
Saturday was as follows:

|          |          |    |
|----------|----------|----|
| 7 a. m.  | 12 p. m. | 11 |
| 8 a. m.  | 1 p. m.  | 10 |
| 9 a. m.  | 2 p. m.  | 10 |
| 10 a. m. | 3 p. m.  | 10 |
| 11 a. m. | 4 p. m.  | 12 |
| 12 m.    | 5 p. m.  | 13 |
| 1 p. m.  | 6 p. m.  | 11 |
| 2 p. m.  | 7 p. m.  | 10 |

Yesterday the weather moderated  
considerably, the sun shining brightly,  
but the thermometer did not show above  
20 degrees, and last night everything  
was frozen up again. The sidewalks  
were particularly slippery. The pave-  
ment along the Fourteenth street side  
of the Opera House was provocative of  
much profanity, and the corner at the  
old Pollock mill property is equally  
dangerous and trying.

The city hall clock is still frozen up,  
as it has been for several days. Many  
consumers of artificial gas also suffer  
from a shortage due to condensation.  
Fires were maintained about all the  
water plugs to keep them from freezing  
up. The pipe leading into C. Neu-  
mann's dyeing establishment on Market  
street burst Saturday, and the cellar  
was flooded, entailing much inconveni-  
ence and some loss. Yesterday morning  
Mrs. C. N. Taylor, of Thirteenth street,  
found her kitchen badly flooded from a  
burst pipe. Last night a main burst  
on Twenty-second street, and the cellars  
of Menkenmiller's drug store and the  
shoe store next door were flooded. In  
the drug store cellar there were four  
feet of water, and the loss will be about  
\$100. Trouble from frozen and burst  
pipes was very general all over town.

Railroad and street car traffic were  
again very badly interfered with. A great  
source of danger was the fact that the  
natural gas, the flow of which was weak  
in the daytime, came on strong at night.  
But for the watchfulness of the night  
police and watchmen there would have  
been several bad fires. Damage from  
this source was narrowly averted at  
several stores.

The extremity of the cold weather  
seems to have passed, but it is still  
quite wintry enough. Sleighing became  
popular as soon as the weather  
moderated.

In another column the board of  
public works gives notice that the "snow  
and ice ordinance" will be strictly en-  
forced. The general public will ap-  
prove this emphatically.

Three Funerals.

The funeral of the late Christian Vier-  
heller, a well known German citizen  
whose death was noted in Friday's In-  
telligencer, took place yesterday after-  
noon and was largely attended. The in-  
terment was at the Peninsular cemetery.

Rev. Mr. Engle, of Wheeling, officiated  
at the funeral of Robert Smith in Mar-  
tin's Ferry yesterday afternoon. The  
singing was by Miss Carrie Crossley,  
Miss Sue Erwin, Mr. C. C. Mitchell and  
Mrs. Frank Erwin, of Martin's Ferry,  
and the pallbearers were young friends  
of the deceased from Wheeling. The  
floral offerings were beautiful.

The funeral of Andy Auth, a well  
known glass worker, took place from  
his mother's residence in East Wheel-  
ing Saturday afternoon. His death was  
a severe shock to a wide circle of friends.

Transfer Recorded.

Clerk Hook on Saturday admitted to  
record a transfer of real estate as follows:  
February 9, 1895, by James Merge to  
Joseph V. Merge, for one-fourth interest  
in the north half of lot No. 12, in the  
North Wheeling Company's addition, on  
the west side of Main street, between  
Third and Fourth streets. Considera-  
tion \$500.

Common Sense

Should be used in attempting to cure  
that very disagreeable disease, catarrh.  
As catarrh originates in impurities in  
the blood, local applications can do no  
permanent good. The common sense  
method of treatment is to purify the  
blood, and for this purpose there is no  
preparation superior to Hood's Sarsa-  
parilla.

Hood's PILLS cure constipation by re-  
storing peristaltic action to the alimen-  
tary canal.
